Toronto Chapter 33 In Person Meetings

As we all know, covid 19 has made in person meetings unavailable since early in 2020. As conditions have changed, we would like to ask all our members if they are interested in resuming in person meetings. Moving back to this format in these times will require ensuring that members are fully vaccinated, social distancing is respected, masks are mandatory and all precautions to sanitise the rooms at the hotel and limit the number of people in a room at one time.

Please send a note to Chapter33toronto@gmail.com and tell us if you are interested in meeting live in October. The resumption of live meetings is dependant on the support you are willing to give. Your note will help us decide how best to proceed.
